ACADEMICS

The University of Iowa

B.S. in Economics (analytical focus)

Iowa City, IA

2009 - 2012

Minors in psychology and sociology

Extensive mathematics and statistics coursework

SKILLS

- Skilled with Office (incl. advanced Excel), Javascript, Python, HTML/CSS. (These are tools I've done interesting things in.)
- Introductory proficiency with SQL, C++, Stata, R, AutoHotKey. (I've used these in projects with guidance and Googling.)
- Board game designer published through Level 99 Games.
- Extensive comedy, improv, and theater background
